Description of Job: \_\_\_\_\_

Section 23a of the state construction code prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.

**Homeowner Affidavit:** I hereby certify the mechanical work described on this permit shall be installed in accordance with the state mechanical code and shall not be covered, enclosed, or put into operation until it has been inspected and approved by the White Oak Township mechanical inspector. I will cooperate with the inspector and assume responsibility to arrange for necessary inspections.
