--Leela absent

Diane moved to accept treasurer's ---supported by John---motion carried

Rick Martinez said he is resigning as of April 30, 2020. There was a discussion about the situation with Mr. Briggs' addition---Builder is threatening to sue Twp---we will most likely turn over to Twp lawyer. Rohn Tripp may be interested in building inspector job--he works in other counties but doesn't want to take on more work if there are a lot of difficulties involved. He will think it over & let us know. Rick suggested having State of Mi. do our inspection work--that would take pressure off us. People would have to deal directly with the State.

Aaron presented bills and moved we pay them---Diane supported---motion carried.

John reported on SAESA meeting--went very smoothly---everything in an orderly fashion.

Being no further business---Meeting adjourned at 8:12p.m.
