

Park Commission Meeting June 17, 2020

Richard called the meeting to order at 6:31 p.m.

Members present: Aaron Graf, Diane Graf, Richard Morrison, Ken Sokol

Covid nor the weather played any significant part in our meeting

Minutes from the previous meeting were read and approved without amending

Richard reported that the park budget was approved by the township board ✓

The park commission walked the park to note conditions needing attention

Diane and Aaron reported that the twp board is researching options for restoration of the pathway-that has long been a concern of the commission-we are delighted.

Other items: Aaron will rehang basketball nets; the township banner needs to be larger next time- this one was an experiment; mulch around large hickory tree needs replacement; also new sand for large playscape; players bench at northeast field needs scraping and painting; bench near concession stand needs the middle board replaced. ✓ *board on benches needs replacing*

Ken sprayed the area around twp hall for weeds prior to the meeting; Richard ordered the infant seat for the King Kong playscape- it is on backorder; a new flag for the flag pole will be purchased shortly.

The library story trail has been installed once again

All in all the condition of the park was above average

The meeting adjourned at 7:31 p.m.

Respectfully submitted by Richard Morrison, Chairman/Secretary
